

## STATEMENT OF PURPOSE

### RS28405 / SCR104

States findings of the Legislature and supports changes in the winter flood control rule curves of the Ririe Reservoir project to more properly balance Ririe Reservoir water supply and irrigation supplies with adequate flood control.

### FISCAL NOTE

The United State Bureau of Reclamation estimates the costs to complete the study will cost \$1,700,000.00. This amount would come from the Idaho Water Resource Board's Aquifer Planning and Management dedicated fund. No General Funds are anticipated.
